

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1739 - SB 1432

February 19, 2011

SUMMARY OF BILL: Increases, from greater than 600,000 to greater than 850,000, the population threshold for counties in which the circuit and general sessions court have concurrent jurisdiction in Governmental Tort Liability Act actions.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Shelby County is the only county with a population greater than 850,000 according to the 2000 federal census.
- Current law applies only to counties with a population greater than 600,000 according to the 1970 federal census. Shelby County was the only Tennessee county to have a population greater than 600,000 according to the 1970 census.
- Because Shelby County remains the only county affected by the law, there will be no change to current state or local practices and no fiscal impact.
